

A Primer for Picture Patrons

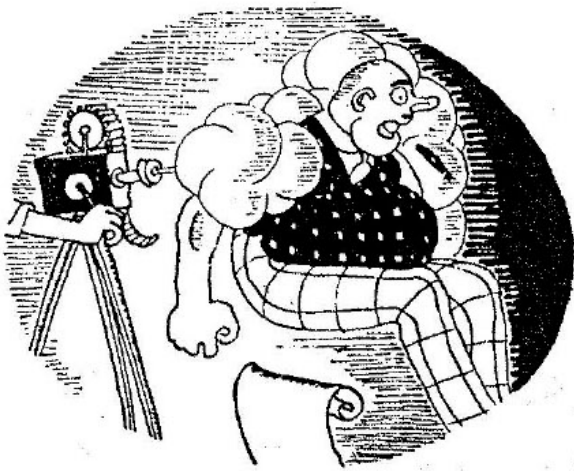

The Fade-Out

When stars are out-of-date and played out,
We say that they have made a fade-out

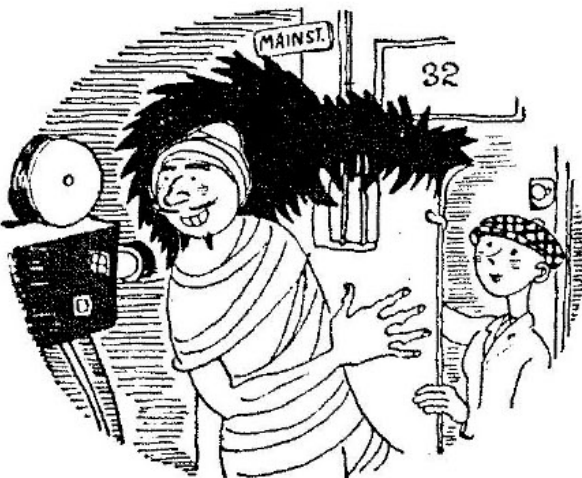

The Box-Office

The ticket-seller's boxed that way
To stave off your attack
When you're disgusted with the play
And want your money back.

Shooting

To "shoot" a scene is nothing new—
Directors should be shot at, too.

Location

A picture filmed in Singapore
Was taken at your very door.
