ALIENS SEND MILLIONS HOME

Is this why money is so scarce these days? Foreigners and foreign-born Americans still send millions and millions of good American dollars back to their native lands each year. The Commerce Department reveals that last year they sent back a grand total of \$173,000,000. Sons of Mussolini's domain sent more dollars home than the sons of any other country—\$26,500,000 in all. Next in order came the Greeks with \$25,000,000, Russians, \$15,000,000 and Japanese, \$12,500,000. But hard times show up even in this flow of Uncle Sam's dollars to foreign shores. The total of \$173,000,000 for 1931 was 13 per cent less than in 1930 and some 30 per cent less than in 1929.
