Perhaps the greatest feature of the New Palm Beach is the surprising way it holds its swagger lines and contours. The fact that it does not readily wrinkle and muss, differentiates it from every light washable suit of the day. This feature is particularly welcome in the New Palm Beach White Suits—which are easily the smartest and most practical white garments for warm weather wear.

Your favorite clothier will show you these latest fashion notes in genuine Palm Beach. Be sure to look for the Palm Beach trademarked label in the little hanger of the coat . . . your assurance of the genuine.
