Facts About Wacs

The Women's Army Corps now numbers more than 89,000, including 5,871 officers. More than 13,000 Wacs are overseas. . . . About 70 percent of the Wacs are using their civilian experience and training in their Army jobs. . . . At least 12 Wacs are daughters, nieces, or wives of Army generals and all but two of them are EWs.
