

*Adolf Hitler was not an particularly sensitive man
~ and this was known by one and all at the time. If
this was the case why would he have been so sense-
tive to the athiests in his army by providing them
a pagan vow of military devotion in order that they
can bypass the devotional oath geared to Christians?
Below is a translation of both vow and oath.*

Duties and Rights of the Soldier

a. THE OATH. Every German soldier, upon induction, is compelled to affirm his legally established military obligation by means of the following *oath (vow, for atheists)*: “*I swear by God this holy oath (I vow)* that I will render unconditional obedience to the Führer of Germany and of her people, Adolf Hitler, the Supreme Commander of the Armed Forces, and that, as a brave soldier, I will be prepared to stake my life for this *oath (vow)* at any time.” If, because of an oversight, the oath has not been administered to a soldier, he is held to be in the same position as though he had sworn it; the oath is regarded only as the affirmation of an inherent legal duty.
